

# COOKIE POLICY

## Foreword

---

This cookie policy is applicable from the moment you visit our website.

## What is a cookie?

---

A cookie is a text file that is automatically saved in your browser and on your hard drive by a website when you visit. It allows your computer to store various technical data such as the number of visits, the frequency of exposure to an advertising banner, the connection to other sites. It also allows you to personalize your future connections by storing your connection information, preferences, etc.

## What types of cookies do we use?

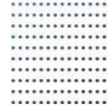

---

SADEV has identified three (3) categories of cookies described below, the purposes of which will depend on the nature of the cookies. These are the cookies of which we are aware. We inform you that the issue and use of cookies by third parties are subject to their own personal data policy. Consequently, if you wish to know more about the use of your personal data by these third parties, we invite you to go directly to their website.

## PERFORMANCE MEASUREMENT COOKIES - ANALYTICAL

These cookies collect anonymous information about your use of our SADEV site. The information collected by these cookies is only used to improve your use of our website and never for identification purposes.

It is a tracker that collects information such as the time you spent on our website, which buttons you clicked on, how you arrived on the website (referring sites, social networks, search engines, etc.).

Thanks to these cookies, we measure the effectiveness of our interactive content via traffic statistics and improve our services.

These cookies may sometimes be placed by third party providers such as Google Analytics. Therefore, we inform you that data transfers outside the European Union may take place. However, we assure you that these transfers of personal data are carried out in accordance with the European Data Protection Regulation (GDPR), i.e. we ensure that these countries provide a sufficient and appropriate level of data protection.

You will find below a non-exhaustive list of cookies, as well as information concerning their type, usefulness and lifespan.

COOKIE'S NAME	EDITOR	TYPE	DURATION	DESCRIPTION
__utma	Analytics	persistent	2 years	This cookie is used to distinguish unique visitors to your site. The latter is updated on each page viewed.
__utmc	Analytics	session	session	This cookie works in addition to the __utmb cookie to determine whether or not there is a new visit by the current unique visitor.
__utmz	Analytics	persistent	6 months	This cookie stores all the information useful for identifying a source of traffic. It is in this cookie that the following information is stored: the traffic source, the medium for this traffic source, the keyword typed if the user consults the site from a search engine, etc. By default, this cookie has a lifespan of 6 months, however, you can modify this limit using the function: <code>_setCookieTimeout ()</code>
_ga	Analytics	persistent	2 years	Used to identify users.

## SOCIAL NETWORK COOKIES

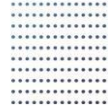

These cookies allow you to share your activity on our site with social networking companies.

Our website may then contain sharing links to [Facebook](#), which will allow you to share the contents of our website with other users of these social networks.

When you use these share buttons, a third party cookie is set. Also, if you connect to the social network in question when you browse our website, the share buttons allow you to link the content you have viewed directly to your user account.

Cookies deposited by social network sites are their sole responsibility. This is why we invite you to consult their data protection policy, also called "Privacy Policies", by clicking on the various hyperlinks.

## How to manage them?

---

We provide you with all the necessary resources to manage your consent with regard to cookies. Thus we offer you two possibilities:

### Modification with the YourOnlineChoices cookie management platform

This platform, commonly known as YourOnlineChoices is dedicated to internet advertising and internet privacy.

Thanks to this EU platform you have the possibility to disable performance-analytics, social network and advertising cookies at any time.

This platform lists all the companies that collect and use your personal information to offer you advertising based on your interests related to your browsing.

YourOnlineChoices gives you the opportunity to regain control over your personal data by setting your preferences in terms of behavioral advertising.

To do so, please click on the following hyperlink: [YourOnlineChoice](#).

### Modification through your browser settings

Most browsers ([Google Chrome](#), [Internet Explorer](#), [Firefox](#), [Opéra](#)) accept cookies by default. However, you can choose to block these cookies or have your browser notify you when a site tries to deposit a cookie on your device.

To change your browser's cookie handling, you can change the settings in the Privacy tab.

Please note that some features of the site may no longer work.

The configuration of each browser is different. It is described in the help menu of your browser, which will tell you how to change your cookie preferences.

### Modification through the cookie management banner

SADEV has set up a cookie management banner in accordance with the new recommendations of the CNIL. Thus, you have the possibility to accept, personalise or refuse cookies directly from our site by expressing your choice using the banner that appears at the bottom of your screen.

## Updating the cookie policy
